# **Philosophy Statement**

## **Service statement of philosophy**

**At Angaston Kindergarten we acknowledge that each child is unique, belonging to a family within our culturally diverse community and that we are all on a learning journey together.**

**All children have the right to quality education in a safe, nurturing and stimulating environment.**

**We respect children as capable, competent and active learners, believing that 'Play is the natural way that children learn' and is the foundation for life-long learning.**

**We acknowledge Australia's Aboriginal and Torres Strait Islander peoples and will celebrate and embed their cultural richness into the teaching and learning at our site. In particular, we respectfully acknowledge the traditional lands of the Peramangk people on which Angaston Kindergarten stands and strive to build our knowledge of and connection with Peramangk people past and present.**
